Safety Guidelines

Please carefully read all safety guidelines and operating instructions before using this product:

1. Use the device in a dry location, and avoid placing it in a humid environment.
2. Yoswit Bluetooth Portable Infrared Hub is not suitable for children under 12 years old.
3. Do not submerge the device in liquid or attempt to clean it with liquids or solvents. To clean the device, remove the batteries and use a dry towel.
4. Please install the battery according to the instructions in the installation section and follow the safety and usage guidelines provided by the battery manufacturer.
5. Please keep the batteries away from children and pets.
6. Dispose or recycle spent/discharged batteries and damaged/worn Yoswit Bluetooth Portable IR Hub in compliance with all applicable laws.

Working with WIFI Smart Devices

This product can work alone without relying on routers and phones. In using a smartphone with our app installed, you can control devices in an instant remotely. It also changes your power schedules, ensuring that you can have a complete control of devices with smart automation wherever you are. For detailed and updated app functions, please refer to the user guide in the app.

Download the App

1. Scan the QR code to install the application.
2. Once the app is installed, launch the app and follow the on-screen instructions.

SCAN THE QR CODE TO DOWNLOAD YOSWIT APP
